## Instructors

Mary Ellen Burriss, R. EEG/EP T. R.NCS T. – has over 25 years of practical experience in Nerve Conduction Studies, Evoked Potential Studies and Electroencephalographs. Mary Ellen's teaching experiences include conducting "Hands-on Training" workshops for organizations such as AAET and WSET.

## Limited enrollment

To ensure the best learning environment, enrollment will be limited. Registrations are taken in the order they are received. Tuition must be paid in advance to guarantee your space. Confirmation notice, class agenda and NIOSH manual will be sent upon receipt of your registration and tuition.

## Accommodations

### Chicago, IL

Take advantage of Cadwell's room block at the Embassy Suites Downtown Chicago. 600 North State Street, Chicago IL, 60611. Call (800) 796-8082 and reference Cadwell Labs to receive our group rate. Space is limited; please make your reservations early.

## Airline reservations

### Chicago, IL

Embassy Suites Downtown Chicago is just minutes away from the Chicago O'Hare Airport. Attendees are responsible for their own transportation to and from the airport to hotel. This Embassy Suites property does not have a shuttle service. Please do not make non-refundable airline reservations; Cadwell Laboratories is not responsible for the refund of travel or hotel expenses under any circumstances.

## Cancellation policy

Cadwell Laboratories reserves the right to cancel this course within 14 calendar days of the course start date. Although this is highly unlikely, be aware that such an event is possible because of under-enrollment. In this event, 100% of your tuition will be refunded. Participant cancellation requests must be received in writing by the course coordinator 14 calendar days prior to the course. A 20% administrative fee is not refunded.
