October 5-6, 2012 Workshop

Tuition: \$395 (before September 5, 2012) \$495 (after September 5, 2012)

Includes course materials and certificate of attendance upon completion of course.

This program is a must for those who want to expand their knowledge of Intraoperative Neuromonitoring or who want an excellent refresher on the basics.

After attending this course, participants will: know how to work in the O.R. with the hostile noise environment and sterile fields; analyze the responses and understand how the results are used in monitoring cases; electrode placement, patient preparation and instrument setup and the fundamentals of neuromuscular recordings.

The following topics will be covered in this two day seminar:

- Basic science of IOM
- Troubleshooting in the O.R.
- What to do when "IT" happens
- Effects of Anesthesia
- Spine Surgery
- New Lateral Approach Techniques
- tcMEP's in the O.R.
- EMG and stimulated EMG
- SSEP's
- ABR and Facial Nerve
- EEG and analysis in the O.R.
- Questions and Answers
- Billing and reimbursements

A special, no charge, Friday night session is available for those who want to improve their skills in programming Cadwell Cascade instruments. Bring your own laptop or use one of ours.

Additionally, ASET Continuing Education (ACE) and ASHA Continuing Education credits will be awarded upon completion of this course.

APPROVED PROVIDER

ASHA
CONTINUING
EDUCATION
AMERICAN SPEECH-LANGUAGE HEARING ASSOCIATION

Neurophysiology, Inc is approved by the Continuing Education Board of the American Speech-Language-Hearing Association (ASHA) to provide continuing education activities in speech-language pathology and audiology. See course information for number of ASHA CEUs, instructional level and content area. ASHA CE Provider approval does not imply endorsement of course content, specific products or clinical procedures.

ACE

ASET CONTINUING EDUCATION

(Further registration information on reverse side)

Instructors for this outstanding course are:

Robin H. Vaughan, Ph.D., D, ABNM; P. Beth Amaral AuD., CNIM, Shannon Lees AuD., CNIM, Cindy Francke, R.EEG/EP T., CNIM, and Will Bram, Cadwell Clinical Applications Specialist. Richard Kim Miller, Cadwell Regional Manager will assist.

Tuition is \$395 before March 16 (\$495 after March 16) and includes lunch both days, all course handouts and workbook, a certificate of attendance along with ACE and ASHA credits.

Enrollment is limited to ensure the best learning experience. Registrations are accepted in the order they are received. Written confirmation will be sent once payment is received. Fax or email the registration form on the next page.

The seminar location is the Embassy Suites San Diego Bay in San Diego, California. The address is 601 Pacific Hwy, San Diego, CA, 92101.

For room reservations, call 619-239-2400. A block of rooms has been reserved. It is highly recommended that you book early to ensure space. Cooked to order breakfast is included with your room!

Airline Reservations are the responsibility of the participant. Do not make non-refundable reservations. Cadwell is not responsible for the refund of travel or hotel expenses under any circumstances.

Cadwell may cancel the course 21 calendar days of the course start date for a variety of reasons. This is highly unlikely, but circumstances beyond our control or lack of enrollment may cause cancellation. If cancellation occurs, Cadwell will reimburse 100% of your tuition. If a participant cancels, the workshop coordinator must be notified in writing 14 calendar days in advance of the course start date and 80% of the tuition will be reimbursed.
