

CadCare Support Plans

CadCare® Support Plans go beyond diagnosis and repair, providing comprehensive support that ensures your equipment stays up and running at every moment. Invest in one of four tiers tailored to the size and needs of each organization, or customize your benefits.

Support plan	Recommended for	Included benefits
Standard Part No. 8004230	Small practices that want reliable support during normal business hours.	• Access to Cadwell's Product Support team • Expedited loaner equipment • Covers shipping, labor, software, spare parts, and repair costs • Annual refresher training to keep your clinical staff confident, current, and fully equipped to use your Cadwell system
Advanced Part No. 8004231	Clinics with limited in-house support who need proactive care to maximize uptime.	• Everything promised through our Standard Support Plan • Proactive preventive maintenance • Software updates, database maintenance, and proactive cable replacement, keeping your systems fast and reliable
Premium Part No. 8004232	Facilities requiring 24/7 access to support and faster repairs.	• Everything promised through our Advanced Plan • Priority turnaround for hardware repairs to minimize downtime • Annual technical training for your Biomed and IT teams
Premium+ Part No. 8004233	Specialized care environments, including Epilepsy Monitoring Units, where uptime is critical.	• Everything promised through our Premium Plan • Remote, real-time infrastructure monitoring to catch issues before they happen • On-site preventive maintenance • Quarterly on-site clinical and technical training to keep your teams fully prepared • A dedicated Cadwell Account Manager working alongside your hospital staff
